[15:15] Marika\_Koni: Test  
[15:40] Marika\_Koni: Test  
[15:42] steve\_metal: Hi Marika. Is there an estimated start time for OSC meeting?  
[15:42] Marika\_Koni: Yes, we are starting in 5 minutes  
[15:48] Ken\_Bour143: Trying a chat again...after reconnecting  
[15:49] Ken\_Bour143: When is the meeting going to start?  
[15:49] nashton: read you here Ken  
[15:51] Marika\_Koni: We are just fixing some technical issues here and will get started shortly  
[15:51] steve\_metal: pls announce in chat when meeting starts and I will phone back in  
[15:51] Nick\_Ashton: Steve, did you ever manage to get the streaming audio to load?  
[15:52] Marika\_Koni: Will do  
[15:52] steve\_metal: Nick, it did not work at all on Vista machine. No problem on machine running XP.  
Others have reported same problem with Vista.  
[16:02] Marika\_Koni: Meeting getting started now  
[16:03] Ken\_Bour143: Thanks for the update.  
[16:15] steve\_metal: there is a lot of echo on the phone line  
[16:21] Ron12988: How is the echo now Steve?  
[16:21] steve\_metal: bad but not intolerable  
[16:40] philip\_s: support chuck's timeline proposal  
[16:41] Ron: Olga are you ready to give your report?  
[16:48] Olga\_Cavall: yes i am ready  
[17:00] steve\_metal: Has the SOI/DOI proposal been circulated yet?
